

September Newsletter

What's new this month...

We hope that everyone enjoyed our summer Ice Cream treats and Milk Shakes over the past couple months. It is hard to believe that it is already September and the children are heading back to school.

On Sept. 1st we will be holding a campfire at 2:00. If you are interested in attending this, please see someone from Activation to get your name on the list. We look forward to having a sing-a-long with Roy McEwen and of course roast some traditional campfire treats for you to try.

This month we are happy to welcome back The Satchells and the Key and String Band from their summer holidays. As well, we look forward to our Knollcrest Clowns "Rosie" and "Renie" who will be here with the Satchells Band to entertain us.

Once again, we will be offering Bible Study on Wednesday mornings with Jim Brown leading this month. Alley Bowling in Stratford will also be starting this month on the first and third Wednesday.

As some of you may know, on September 12th it is Grandparents Day! Best Wishes to all the Grandparents out there celebrating on such a special day.

We will be making our annual bus trip to Martins Fruit Farm this month on September 20th for some home grown apples! We then need your help to prepare some delicious apple pies on the Thursday!

September 22nd is our Volunteer Appreciation Dinner. Special thanks go out to all of our residents, volunteers and family members! Your help within our Activation Department and Knollcrest is wonderful! We appreciate each and every one of you!

“Volunteers don't get paid, not because they're worthless, but because they're priceless.” ~Sherry Anderson
